Calling all Veterans and those who want to support Veterans! Please join us for a fun day of unity, gratitude, and support. Be a part of something truly special, as you join with other veterans and their loved ones in a community effort to build homes for low-income veteran families. We invite you to be a part of our first annual Veterans' Build where your support can make a difference by creating a brighter future for brothers and sisters who, like you, sacrificed for our freedom.
