RAINBOW BUILD 2026

The Homes 4 Families Rainbow Build engages volunteers, corporations and the LGBTQA+ community in our mission to build resiliency, economic growth, neighborhoods, and homes for Veteran families.

This **September 19th**, we aim to put the finishing touches on homes together while we build the spirit of community, understanding and friendship. With a target to complete homes this year, with your support, we can make sure the day is a successful step toward that goal.

The Rainbow Build is your chance to step up to make a real difference for Veterans and their families within your community.

Can we count on your organization to have a team participate in the Rainbow Build for 2026?
